May 2020

A MESSAGE FROM MAYOR NENSHI

On behalf of my City Council colleagues and the citizens of Calgary, it is my pleasure to welcome you all to the Igniting Innovation and Entrepreneurship in Continuing Education Conference hosted by the University of Calgary Continuing Education.

Conferences such as this are invaluable, as they provide a terrific opportunity for continuing education leaders and practitioners from across Canada to come together to share best practices and ideas. With a tremendous lineup of sessions and exciting Keynote speakers, I have no doubt the coming three days will be engaging and informative. I am especially proud that UCalgary Continuing Education has been a strong partner in Calgary's economic strategy through initiatives like EDGE UP, helping former employees of the Oil and Gas sector gain employment in Calgary's high-demand, high-growth digital technology opportunities across all industries. We've always been a comeback city and we'll do it again with thanks, in large part, to vibrant events such as this.

I commend all organizers, volunteers and sponsors who have made this conference possible. To those of you visiting Calgary, I hope you have the opportunity to explore everything our city has to offer. From shopping and dining, to our beautiful parks and pathways, Calgary truly has something for everyone to enjoy.

Congratulations!

Sincerely,

Naheed K. Nenshi
MAYOR
