

## Conference Sponsorship Opportunity *"In Memory Of"*

### ***SPONSORSHIP OPPORTUNITY***

The cost of the CAUCE 2023 registration, \$695, is paid by the sponsoring school to honor a special colleague who is no longer with us. In the case of an individual member sponsorship, the cost of the sponsorship is paid by the member.

The conference planning committee accepts all "In Memory Of" PD sponsorships, therefore, more than one award may be offered to members each conference year.

### ***SPONSORSHIP BENEFITS***

- News article on the CAUCE website with information about the sponsor, honoree, and recipient
- An announcement of the recipient will be sent to CAUCE members in March
- Recipient name tag to include an additional line, "I am here in honor of [honoree]"

### ***ELIGIBILITY REQUIREMENTS TO RECEIVE THE AWARD***

To be eligible, the member applying for the PD award must:

- be currently employed at a CAUCE member university in the continuing education department or similar unit.
- have been working for three years or less in a continuing education (or similar) unit at time of application.
- have not attended a CAUCE annual conference before.

Applications may be self-submitted or submitted by another staff member. The members' dean or director must acknowledge the application to ensure the applicant is approved to attend the conference.

Recipient(s) of the award(s) are randomly selected from all eligible applications.
